What's INSIDE?

Hello! It's Halloween this week - the time of witches, ghosts and seriously scary sights! We look at all the witchy horrors in *Doctor Who*, give you loads of mega monster facts and there's also a brilliant Halloween comic strip!

MONSTER WATCH!

Beware all the creepy creatures in this mag!

CARRIONITES

PRISONER ZERO

OOD

WEeping ANGEL

SHANSHEETH

ANDROVAX

Scary spooky ladies casting magic spells?
It must be Halloween! But WITCH
of them scares you most?

Witchy WOMEN!

CARRIONITES

These alien witches are so powerful they can shape the world with words. The Doctor stops them by getting Shakespeare to quote from Harry Potter! Well, that can be quite frightening, too.

SIBYLLINE SISTERS

These sisters can tell the future - but this eventually turns them to stone. Even spookier, the one in the middle looks just like Amy.

SKY SILVESTRY

Taken over by a strange alien, Sky repeats everything the Doctor says, even before he says it. Aargh! Now she's doing it to us!

FORTUNE TELLER

She isn't really much good as a fortune teller. Instead of showing the future, she rewrites Donna's past! Hey, that's cheating!

WHICH ONE IS SCARIEST?

DID YOU KNOW?

You can stop a Carrionite by shouting out her name.

MISS HARTIGAN

EEEEK!

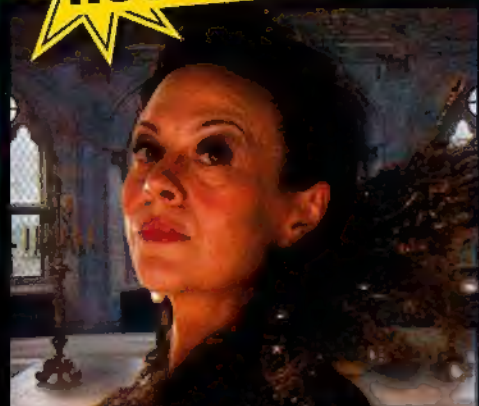

This wicked workhouse matron teams up with the Cybermen to steal children and build a CyberKing to stomp over Earth.

PRISONER ZERO

Prisoner Zero can look like anyone it wants to, which comes in handy for hiding - like when it turns into this scary lady with pointy teeth.

ROSANNA

There's something a bit fishy about this posh lady. Her school in Venice doesn't teach its girls, it turns them into vampires. Yikes!

FIND IT!

Halloween special

There are scares in every corner of this Halloween picture search! The Doctor and his friends are on a monster-packed ghost ride. Help them find the seven pumpkins in the picture before the Carrionites stick you in their yucky soup!

YOU MUST BE THIS TALL FOR THIS RIDE

Doctor! You're back again!

Over here, sweetie!

Not fair!

Danger, Mistress! Danger!

Ha ha ha, he he he!

Who turned out the frights?

We must serve!

PENNY FOR THE GUY

GHOST TRAIN

I think I'd like to do this tomorrow as well!

Mew!

Mew!

Mew!

SPOT THE DIFFERENCE!

WIN A PRIZE!

Look at these two pictures. There is a difference in every square except one – but which is it?

WIN

Wallace and Gromit book!

Read all about amazing inventions and inventors in **Wallace and Gromit's World of Invention**. **Ten winners** will each get a copy of the book! For a chance to win, just solve this picture puzzle.

HOW TO ENTER

Work out the grid reference of the square with no changes (for example, A1). Send your answer, along with your name, age, address and daytime telephone number, in an envelope to: **DWA190 SPOT, PO Box 8951, Market Harborough LE16 0EF**, or email these details to **spot190@dwacomps.co.uk**. The Slitheen and the

from the planet
Raxacoricofallapatorius
in the Isop Galaxy.

THE EMPTY PLANET

Rani and Clyde have to fend for themselves - because everyone else on Earth has disappeared!

Home alone?

Rani and Clyde wake up to discover that everyone else on the planet has vanished - including Sarah Jane.

Red robot, yellow robot

These two menacing robots stalk the streets of London. What do they want? What have they done to all the people?

**HAS CLYDE

**Running

Part of the Sarah Jane Adventures series, this book is a mystery and adventure story.

DID YOU KNOW?

Rani and Clyde are reading *Great Expectations* at school. It's a book by Charles Dickens - who the Doctor once met.

**RUN

The intergalactic undertakers who bring dead heroes home!

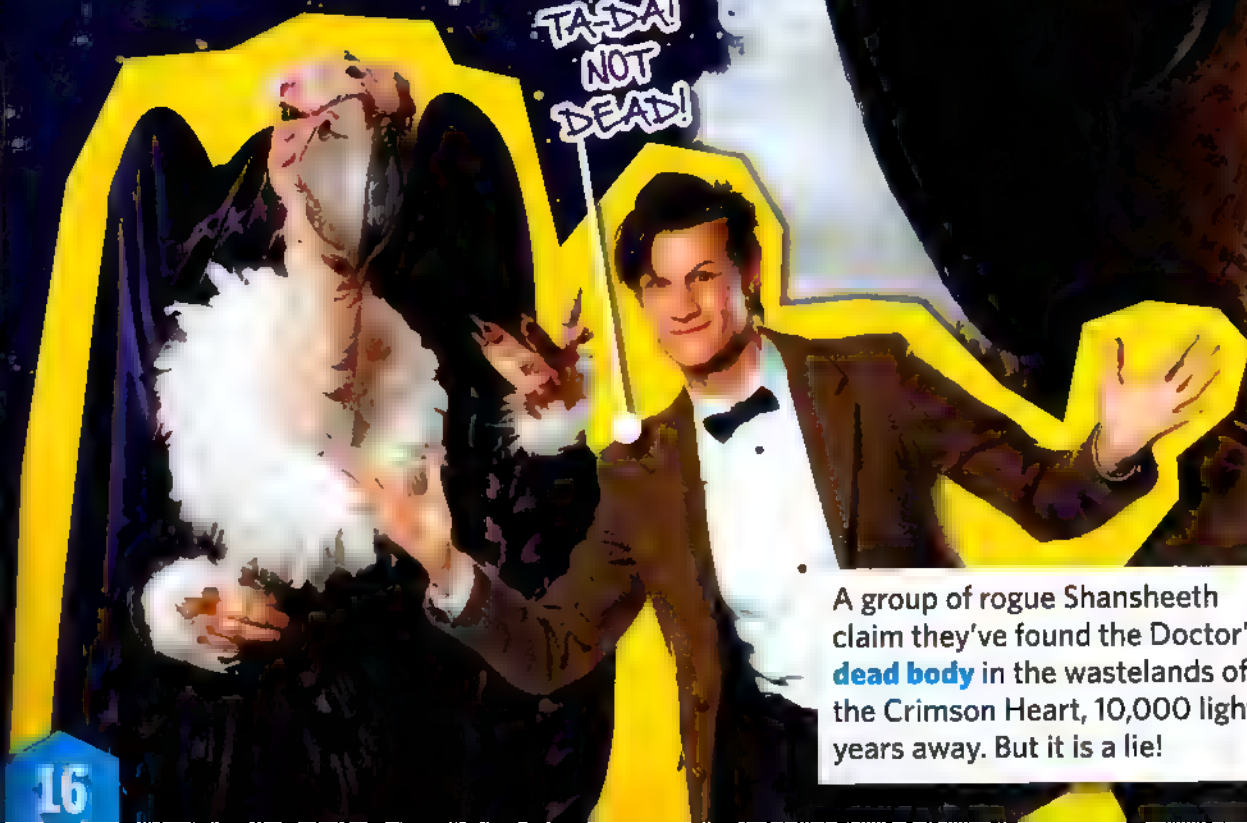

Who are the

SHANSHEETH?

The **Shansheeth** are huge, beaky aliens with long claws who act as space undertakers. They trawl the battlefields of the universe, looking for dead people who need a funeral.

TADA!
NOT
DEAD!

DID YOU KNOW?
These Shansheeth call themselves **Brothers of the Wing**.

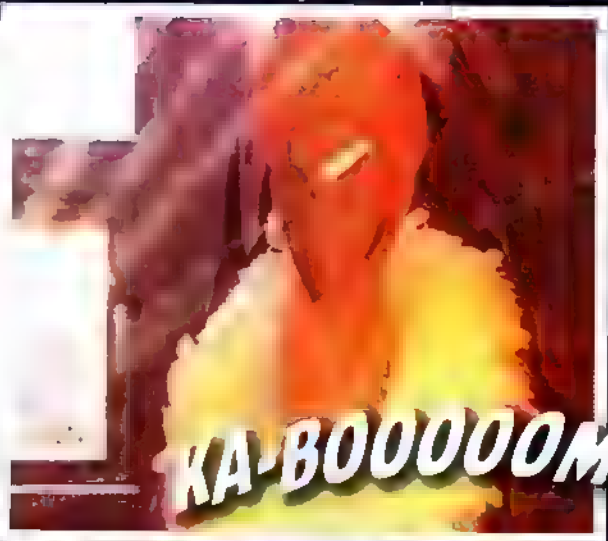

A group of rogue Shansheeth claim they've found the Doctor's **dead body** in the wastelands of the **Crimson Heart**, 10,000 light years away. But it is a lie!

It's a trap to lure the Doctor's old companions **Jo** and **Sarah Jane** to the funeral. The Shansheeth plan to use their powerful **Memory Weave** on the humans to create a new TARDIS key.

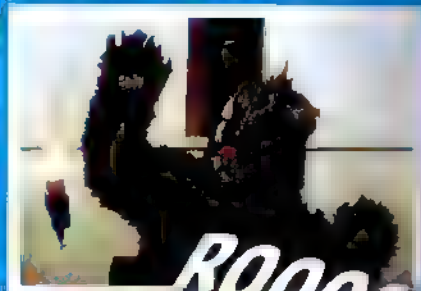

The Shansheeth are tired of pain and suffering. They think if they can get control of the Doctor's TARDIS they can **stop death**.

Jo and Sarah Jane overload the Memory Weave with thoughts of the Doctor and it **explodes!** All that's left of the alien vultures are some blackened feathers and the smell of **roast chicken!**

NEVER FORGET!

Jo and Sarah Jane have amazing memories of their time with the Doctor.

AGGEDOR!

Jo and Sarah Jane both visited Peladon, where they met the 'fierce' royal beast, Aggedor. He was quite sweet once you got to know him!

SARAH'S SEVEN!

As well as the Eleventh Doctor, Sarah Jane has met the first five Doctors and the Tenth Doctor. Jo got to meet the first three Doctors.

MRS JONES

Jo married Cliff Jones - and hadn't seen the Doctor since.

THE DOCTOR AND SARAH JANE

KATY

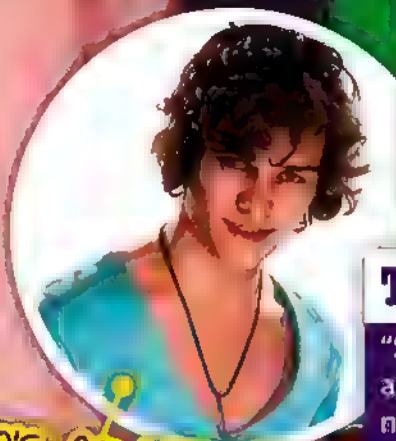

We talk to actress Katy Manning, who starred in Doctor Who in the 1970s

**BEST FRIENDS
- AND THEY'VE
ONLY JUST MET!**

So what's it like being back as Jo?

"It's perfect how Jo's come back. All the running, and filming in a **quarry**, brought back huge memories! Lis Sladen (Sarah Jane) and I swapped all these stories about people and places. The only difference was that I was lot warmer - because now Jo's not wearing a miniskirt! Brrr!"

**JO'S GRANDSON
SANTIAGO JONES**

Tell us about young Jo

"She was slightly ditzy, and she had these amazing clothes. She still does - she's now a groovy granny! And she was loving and caring, always very concerned, even about the **bad guys**. She'd tell the Doctor off if he was mean to the Master!"

SARAH JANE, THE DOCTOR AND JO

Sarah Jane ADVENTURES

How did Jo meet the Doctor?

"Jo was 18 and straight out of school. Her uncle was an important civil servant and got her a job with UNIT. So she was **forced on the Doctor**! He thought 'Oh no!' But she turned out to be bright and courageous, and saved his life a few times!"

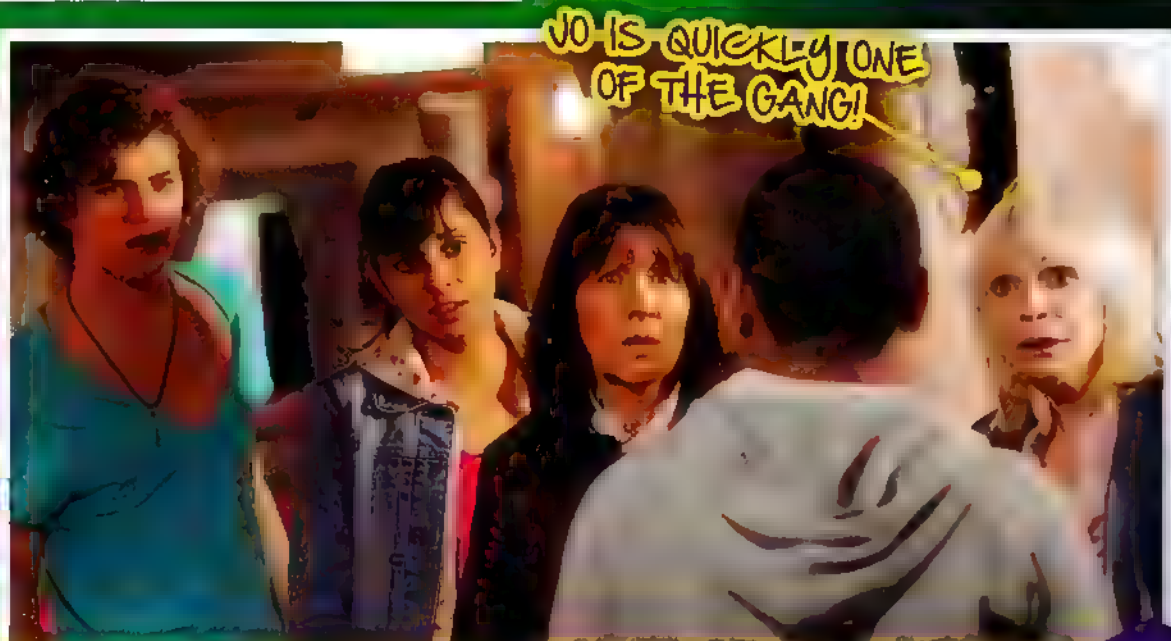

How was Matt Smith?

"Wonderful! I can totally believe he's lived so long and been all these different people. He's got that otherworldly quality and an extraordinary physicality. And he's a **very caring Doctor**. I loved that about Jon Pertwee's Doctor, too. He cared about everyone, and certainly about Jo!"

What's the best bit about coming back?

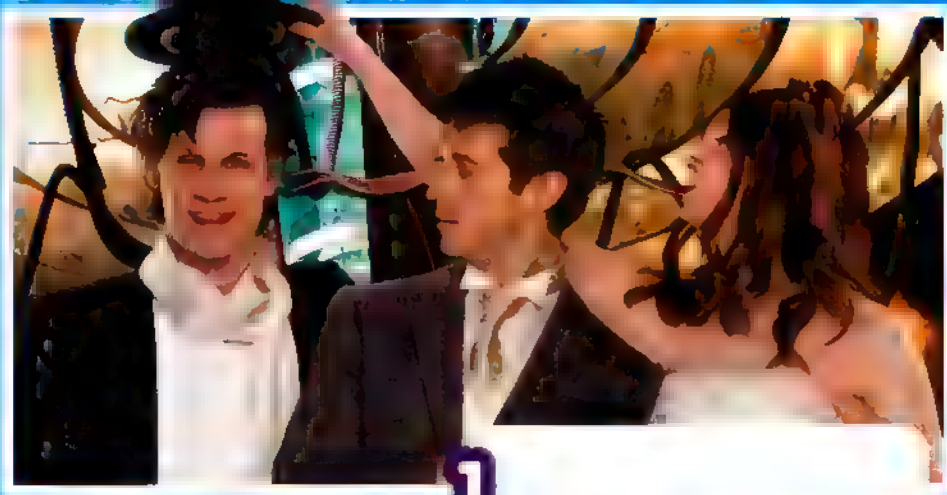

"Working with Lis, she's such a generous and good actress! Anjli (Rani) and Daniel (Clyde) are **sensational**, too. I just wanted to eat them both up!"

It's *Halloween!* I'm the Doctor and this is Amy - now, what's going on?

I'm Johnny. There was a gang of *scary space-teenagers*. They started shooting at us.

Really? They didn't look that scary.

No, they didn't, did they? We saw something much scarier on the planet *Thursday* next *Wednesday* - the natives there *shrink the heads* of their enemies and display them as a *warning*...

You know, I think I might just have an *idea*.
